MEMORANDUM OPINION

) By: Hon. Glen E. Conrad
) Senior United States District Judge
)

Plaintiff, proceeding pro se, filed a civil rights complaint, pursuant to 42 U.S.C. § 1983.

By order entered April 5, 2019, the court directed plaintiff to submit within 20 days from the date of the order a statement of assets, an inmate account form, and a certified copy of plaintiff's trust fund account statement for the six-month period immediately preceding the filing of the complaint, obtained from the appropriate prison official of each prison at which plaintiff is or was confined during that six-month period. On April 22, 2019, plaintiff returned an inmate account report signed by the trust officer, however, the required six-month statements were not included. On April 22, 2019 the court entered an order giving plaintiff one last opportunity to cure the deficiencies by submitting the required financial statements for the months of September 2018 through February 2019, within 20 days from the date of the order. Plaintiff was advised that a failure to comply would result in dismissal of this action without prejudice.

More than 20 days have elapsed, and plaintiff has failed to comply with the described conditions. Accordingly, the court dismisses the action without prejudice and strikes the case from the active docket of the court. Plaintiff may refile the claims in a separate action once plaintiff is prepared to comply with the noted conditions.

The Clerk is directed to send a copy of this Memorandum Opinion and accompanying Order to plaintiff.

ENTER this 21st day of May, 2019.
